# Global business opportunity in mobile wallet

The global mobile wallet market size was exhibited at USD 8 billion in 2023 and is projected to hit around USD 88.36 billion by 2033, growing at a CAGR of 27.20% from 2024 to 2033

# Client use case

**Challenge:** The leading beverage company SOBRAGA in Gabon encountered issues with vendor payment collection. Additionally, they grappled with decentralized and manual collection processes, leading to loss of revenue and resource

**Solution:** Bizmobia proposed this solution to Sobraga and collaborated with Airtel Money to centralize payment collection, resulting in increased revenue collection and prevention of revenue loss

# Payment Collection Challenges

- No payments from vendors/distributors on time
- Multiple follow ups
- Assigning collection agents
- Loss of time
- Loss of resources
- Loss of trust
- collection agent management challenge

# All in one Payment Solution

Increase payment options for your customers, reduced integration complexities, and improved transaction success rates. Benefits from DeclicPay

[Create a customer account](#)

# Prominent features of solution
